TUESDAY 23 AUGUST  
We meet at the airport at 5.00 pm for our Turkish Airlines flight departing to Istanbul at 6.55 pm. We are expected to arrive at 10.15 pm and assigned a hotel near the airport.

WEDNESDAY 24 AUGUST  
Our Turkish Airlines flight is expected to leave Istanbul at 1.05 pm for San Francisco. We shall arrive at destination at 4.25 pm local time, where a private coach shall transfer us to our hotel. In San Francisco we shall be accommodated at the Holiday Inn Fisherman’s Wharf. Rooms will be assigned and a familiarisation walk will follow.

THURSDAY 25 AUGUST  
Alcatraz Island - The tour’s first excursion will take us to Alcatraz Island known otherwise as ‘The Rock’. Once home to some of America’s most notorious criminals, the federal penitentiary that operated here from 1934 to 1963 brought a dark mystique to the Rock. The presence of infamous inmates like Al ‘Scarface’ Capone and the ‘Birdman’ Robert Stroud, helped to establish the island’s notoriety. To this day, Alcatraz is best known as one of the world’s most legendary prisons. There will be free time in the afternoon so that you will be able to enjoy Fisherman’s Wharf. We shall catch a ferry to get to the island (included).

FRIDAY 26 AUGUST  
San Francisco city tour - San Francisco is a little bit home to everything and today’s full day guided excursion will take us to see the most popular points of interest. Amongst others, these will include the Golden Gate Bridge – San Francisco’s signature landmark, Nob Hill - once the home of the city’s business tycoons, China Town – the largest Chinese community outside Asia, the Financial District - home to the city’s largest concentration of corporate headquarters, law firms, insurance companies, real estate firms, banks, savings and loans, and other financial institutions, North Beach, Union Square – the central shopping and theatre district and Twin Peaks – the highest point in the city. We shall make a stop in one of the most enchanting and visited cities in the San Francisco Bay Area – Sausalito.

SATURDAY 27 AUGUST  
Monterey | Carmel | 17-Mile Drive - Today we shall drive down one of the most scenic roads in California on this full-day tour from San Francisco. We shall cruise along the coast-hugging Highway to the beautiful Monterey Peninsula, home to the famous Monterey Bay Aquarium and Steinbeck’s Cannery Row. We shall drive along the famous 17-Mile Drive, home to the world-renowned Pebble Beach Golf Course and magnificent mansions. From here we shall then proceed to Carmel-by-the-Sea, with a charming downtown shopping district, beautiful beaches and a historic mission.

SUNDAY 28 AUGUST  
Today our private coach will transfer us to the airport for our domestic flight to Las Vegas. Upon arrival there will be a coach waiting for us that will take us to our hotel located on the Las Vegas Strip – Hotel Excalibur. On the south end of the Strip, this Camelot-themed resort is linked to neighboring New York-New York and Tropicana resorts by overhead pedestrian bridges. Assignment of rooms will be followed by a familiarization walk.
Las Vegas is famed for its buzzing energy, 24-hour casinos and endless entertainment options. Its focal point is the Strip, just over 4 miles long and lined with elaborate themed hotels such as the pyramid-shaped Luxor and the Venetian, complete with Grand Canal and the Bellagio, set behind iconic dancing fountains. With so much to do and see, the days in Vegas will be left free. From zip lines and car racing to the Bellagio’s world-famous fountains, experiencing all of Las Vegas’ attractions is like riding a roller coaster, which you can do because Las Vegas has these too. In addition to the casinos and shows, there are zoos, theatres, aquariums and galleries and even these are ever changing. And no two Las Vegas attractions are alike. The Mob Museum offers a glimpse into Vegas’ illustrious and notorious past, while the Dolphin Habitat at The Mirage offers a glimpse into the underwater world, far away from the desert landscape (entrance fees not included).

Las Vegas Night Flight – On August 29 we shall enjoy the ‘City of Lights’ from the best view possible...THE SKY! Vegas Nights is an amazing helicopter tour flying over the mega resorts on the Las Vegas Strip, from the New York-New York skyline to the Bellagio fountains and the never-fading light of the Luxor Pyramid. You will experience breathtaking sights from inside the helicopter – the ‘limousine of the sky’.

Grand Canyon Explorer Tour – This will take place on August 31. This ultimate excursion begins with a 40-minute flight to the Grand Canyon’s South Rim. This journey will then continue, by a coach transfer to the Grand Canyon National Park to enjoy the awe-inspiring vistas, panoramic overlooks and trails that can only be accessed from inside the park.

MONDAY 29, TUESDAY 30 AUGUST, WEDNESDAY 31 AUGUST, THURSDAY 1 SEPTEMBER

Los Angeles city tour – Breakfast. Today’s full day excursion will take us around Los Angeles. Los Angeles is a sprawling Southern California city famed as the center of the nation’s film and television industry. During this day we shall drive through Olvera Street, Sunset Boulevard, Rodeo Drive and Santa Monica.
